Comments. Dec 7, 2017 The show was based in Turlock, California, but was filmed in Branson, Missouri. The city is now known mostly for an amusement park and has no other real major claim to fame. The producer was also married to the co-host of The Nanny, so it's not too surprising that most of the city's residents are unimpressed with the show's popularity. The show's popularity has since shifted south to Georgia and other southern states. It is mainly used as a way to make fun of the 1970s. . . The best comedy we've ever watched!. . . The Best tv shows: 2012-2015. . . May 12, 2009 I just got the chance to catch up on a few eps of this and it is really funny. I am not sure if it was cancelled

because it was so funny or because other shows are funnier so it moved to make room for them. Jun 2, 2012 Download That 70's Show torrent. The end is near - that 70's show is coming to a close. . . May 5, 2010 Man, I'm in love with this show. If the premise didn't exist, I'd eat it up with a spoon. Anyone here know if the new season will be on the air again? or if it got canceled for good? thanks.

Jun 1, 2008 NBC is bringing back That '70s Show. "We're not happy about the way we got there, but we do feel they're a good fit. They know what they're doing, and we feel they're going to create a good show out of it."

Cancelled . Aug 13, 2011 You can buy the full first 8 seasons on DVD in the UK . . . Oct 10, 2009 NOooooooooooooooooo!!!! I watched that show from 2005 until 2007.. Mmmmm Boring stuff.

Feb 21, 2008 Did anyone catch the movie or could they even remember it? I remember every episode of that show and they are REALLY good in some cases.

Feb 21, 2008 Just a picture of the that 70s show t.v show. Horrible. If you're looking for something to watch that's a little more up your
