
Tower 57 Update 20.23 Hack Tool Free Download BETTER

Nov 27, 2017 - Patch 20.23 Changelog (added Feb 12, 2018): *After the channel level, we've updated Clean Pools and Workshop! The menu item now has a new category: Cleaning. Cleaning is required to be able to use the mana pools. Cleaning requires Level 10 of the Cleaning channel. Cleaning is required for the mana pools, but not required for the mana pools and chests. Cleaning will take up to 2 turns, and will only be needed once a day. Cleaning will start whenever the player gets level 10 + 2. Cleaning will only be required for the main menu.
