The Record of Poor Essays is the worst essay writing service on the internet. They will steal your money and provide subpar customer service. It is not a reputable company, it is a scam!!! A record of poor essays is a term that many people use when they are looking for an online writing service. The company is the first to provide cheap and premium services to its customers at the same time. Though, there are many complaints from customers of the company that the service is not what they have expected. We have handpicked the top 5 reasons you should avoid this online writing service. Reasons to avoid the company The company is not regulated Any online writing services must be regulated by an appropriate authority like the Federal Trade Commission (FTC). The organization inspects online writing services to check if the company maintains the privacy of its customers. It is suggested that the company is not regulated. The organization failed to provide any proof in this regard. It is unreliable The company has been said to have failed to provide the necessary license to operate the service. The lack of license makes it not reliable and trustworthy. It violates the customer's privacy The company has been said to have failed to provide the necessary license to operate the service. The lack of license makes it not reliable and trustworthy. The lack of license makes it not reliable and trustworthy. It is not authorised to use the name 'A record of poor

essays'
