A fantasy-themed action RPG in which you raise a Tarnished Hero born from a Myth and fight against the Oblivion and Sundering. The goal of this game is to escort a Tarnished Hero to the black and white borderlands of the Elden Ring and lead it to its destination, the Elden Seat. Along the way, in addition to a narrative-driven story, you will encounter and receive quests from NPC traders and can take on various dungeons that are rich with information, such as the ever-changing enemy threat level, NPC reactions and the mysteries that they hold. Within the realm of the Elden Ring, you can freely create a character according to your play style, and battle monsters such as zombies, orcs, ogres and squids to achieve the ultimate goal of earning the popularity of a Tarnished Hero in the Lands Between.
