FRONTIER developed the strategic battle game "The Elder Scrolls Online: Tamriel Unlimited", which shipped over 50 million copies across all platforms since its launch in November 2011. "The Elder Scrolls Online: Tamriel Unlimited" is an all-in-one game that delivers a world teeming with life and thrilling adventures for you to experience, and features cross-platform multiplayer on PC, tablet, and smartphone. FRONTIER's vision is to make "The Elder Scrolls Online" an all-encompassing game that takes you on an unforgettable journey to save the fantasy world of Tamriel. You will be able to battle against other players in the online arena, create your own character, become an aspiring adventurer, engage in a quest to unlock the treasures of Tamriel, and engage in a number of other intriguing adventures throughout the game. The game will be playable in English. Visit www.tamrieltours.com for more details. ABOUT FRONTIER: Headquartered in Seoul, South Korea, Frontier Developments is a South Korean game developer specializing in game design and development. Starting in the modern era, Frontier made a name for itself with revolutionary games such as "Traveller" and "Take On". In recent years, it has

ventured out into the game business as well. In the early 2010s, Frontier mainly focused on developing its own games, but since then it has increasingly been involved in the development of other game makers' games. With the gaming business currently booming, Frontier is diligently creating games in various genres and releasing them on various platforms all around the world. Gameplay revolves around managing your territory and colonizing your enemy's land, as you meet and conquer new people and loot through the discovery process, upgrading your technology and developing new units. • Single-player Campaign. You will get to become a rich and powerful ruler in this game! • A map editor is included in the game, and you have access to the game's full sources. • Single player is focused on a simple plot of the Rifts but you can start a new game even if you've already completed

Elden Ring Features Key:

Character growth: A Character Card that allows you to select attributes and learn skills while progressing story-line quests. You can increase these in order to meet the requirements in order to advance to the next story-line to face stronger enemies or to gain new weapons and armor with more advanced attributes.
Wield "Crafting" to create new weapons and armor with various attributes. Furthermore, there are an unprecedented 25 crafting items that increase the quality and effectiveness of the crafted item, and refine the attributes to change the types of items you can craft.
An appealing storyline: The Tarnished Elden story is written in the form of a "light novel." As you wander through the Lands Between story-line, feel the drama as the plot unfolds like a light novel. (Please note that the degree of enjoyment is at your own discretion.)
Create your own unique card: You can create cards within the game that help you grow your character. The Card Maker allows you to create cards according to the type of card you can create within the game that help you grow your character.
