In Windows all of your hardware is located in the Device Manager.Only valid for active forum users. Active means at least 30 postings within the last 30 days (no spam postings). This will automatically being checked at www.starbike.com shopping basket so make sure that you are logged in at the WW board!If there does not appear a WW discount position when you check out you do not have enough postings! What is the usefulness of a simple color coding to indicate what a rear wheel size fits? This works very well if you ride with all the same people (all the same wheel sizes, say). If you ride with different people, or swap wheels, or get a new set of tires, it isn't that useful. Dirtbike Party
