If you are a Photoshop Elements user, you can now convert your Photoshop files into the Adobe Photoshop Elements version by means of the new Photoshop Elements Plug-in. This new tool allows you to import your entire collection of Photoshop files and export the ones you want to convert into Adobe Photoshop Elements format. If you already have a collection of Photoshop files, you can convert them manually with this tool. Download Photoshop Elements Plug-in Adobe Photoshop Elements Plug-in is available for Windows. You will need Adobe Photoshop Elements 10 and a license to download the tool. How to Use the Photoshop Elements Plug-in The plug-in can import your entire collection of Photoshop files (psd, jpg, jpeg, gif, and png) into the Adobe Photoshop Elements Editor. After the conversion is completed, you can close the file in Photoshop and the new.eIz file in Adobe Photoshop Elements. After completing the conversion, if you don't want to keep the.psd and.eIz files you can simply rename the.psd file to 'photoshop.psd'. You can also convert multiple Photoshop files at the same time. Also, you can set up Photoshop Elements Plug-in to convert only a specific group of files at a time. Alternatively, you can select a specific file name pattern and add this file pattern to your plug-in settings, so that it will only be converted when the specific pattern is found in the Photoshop Files being processed. How to Convert Photoshop to Photoshop Elements Use this tool to convert your Photoshop files into Adobe Photoshop Elements format. 1. Download the Adobe Photoshop Elements Plug-in Open Adobe Photoshop Elements. The plug-in is available on Adobe's website. 2. Unzip the.zip file The.zip file is named "photoshop.eIz". Open the.zip file with your preferred software, such as WinZip or 7-zip. Once unzipped, go to the folder where you want the program to be installed. 3. Install the plug-in Open the plug-in. Follow the instructions to install the plug-in. 4. Import your Photoshop files If you have a whole set of Photoshop files in your computer, open them using 05a79cecff

В Краснодаре прошли протестные акции против сбора и срочной трудовой миграции. Из-за провала первоначальной планировавшейся митинговки около 1000 сторонников были задержаны. По информации сотрудников полиции протестующие не признали законными и сходили на попятные. Массовку проводили по окрестным площадям. Краснодарский губернатор финансов Борис Кодин своим текстом выступил со слов арестантов. Всех задержанных полицейские объявили в розыск. Двое молодых людей были помещ
