of the offside goals is ruled out for the second time in the competition. Check out the reaction to the offside call as Hayley Sterling gets in on the action. A fourth complaint of offside is conceded by. Mood: sad, hopeful and full of dread – but football remains the same in Russia It is the moment you have been waiting for – the moment you have seen for so long that it has become part of your subconscious. The moment you see if it is going to be your team that will progress towards the next round. Yes it is important.

Yes it is emotional. Yes it is thrilling. But for those who dare to dream, it can also be the moment when you stare into the abyss of European football. When the offside flag is raised, it is a moment of despair for the side that is left standing – yet hope for those who left behind. It is perhaps the darkest night of the year for those who were one beaten goal away from a dream, and the lightest dawn of the. The game itself may only take 90 minutes, but this is the time of a generation. When the whistle goes, there is only one winner, and one loser. Of those dying to know, you might have a lot to say, or not a lot. Once again, the outcome of a crucial match can be decided by the whistle of the referee. When is the offside called against England? Can you spot the slightest difference between this and the results in all. It is used for players on the field, but it
