God of War games represent the pinnacle of the God of War series. There are no words to describe how incredible this game is, and it leaves everyone asking one thing: “Where is God of War 2?”. Here’s a glimpse of what awaits you in the stunning sequel: Ever since God of War was released, players have been asking us when we'd be making a sequel, and we're pleased to announce that we are! God of War: Ascension will be released in 2018, and is coming to PS4, Xbox One, and PC. As always, we'll keep you posted on all the latest information, so stay tuned for more details! There are some new features in the Ragnarok version of the game, but some of the more useful ones aren't actually free, so it'll take a bit of investment to make sure your game is fully prepared for the title. It'll also take some time to get used to the new mechanics and features, but once you're used to them, they will become very

useful in your battles. One of the more useful things about God of War Ragnark is the number of weapons at your disposal. There are plenty of options for every situation, and you'll need them all to be sure you get the most out of the game. All the old favourites are back, and they're now more useful and streamlined. There are still quite a few new features and mechanics, some of which are paid for. Hulst also stated that the number of weapons is particularly large in the game. Overall, God of War Ragnark is a solid game and it's worth the money even if you're playing the PS5 version. If you're looking to play it on PS4, though, you're looking at spending even more money. That's why you want to make sure you get all the best out of the game, and make the best-possible decision you can for your budget. With all these tools at your disposal, you'll be able to do that as easily as possible.

You'll need to keep an eye on your GeForce Now status if you're looking forward to the new God of War, as it's possible that the game could be lost to you if you haven't purchased it and if you leave the service before the game leaves, you'll need to repurchase it first. Which is a shame. It's a fantastic God of War and the game is just about perfect for the platform. Expected to drop in July for PlayStation 4 and PC, it's a PS4 launch title for the US, Canada, and Europe. God of War looks to be one of the most inventive games in recent memory. Set in a Greek gods mythos while mixing it up with the Norse pantheon, Kratos will wear a thong and ride a rumpus-steed as he battles for survival in a way that should make him a must-have for any PlayStation gamer. If God of War leaves

Nvidia Now on July 1, it will join a smorgasbord of other recent and upcoming cancellations, including The Order: 1886, Nosgoth, and Uncharted 4.

These games had been on board for months, if not years, and even if there are three weeks still left to go for each, it seems like a surprise for anyone waiting to pick up one of the games. God of War looks set to be a terrific game and despite not being our PlayStation of the...

Gaming's best bruisers and muscle-bound warriors, God of War looks to be one of the most inventive games in recent memory. Set in a Greek gods mythos while mixing it up with the Norse pantheon, Kratos will wear a thong and ride a rumpus-steed as he battles for survival in a way that should make him a must-have for any PlayStation gamer.
