## Serious Sam 4: Planet Badass Torrent Download [FULL]

the sequel to serious sam 3: bfe provides a story set in 2050's and tells the story of seron - a protagonist of the planet badass, and the battle against evil and the guardian of peace. the game comes as two episodes, and includes full compatibility with the serious sam 3: the last frontier . story mode offers a single player campaign, while the multiplayer provides both deathmatch and teams match modes. the game features an arsenal of weapons and vehicles that were tested on the battlefields of modern day. since the start of the game, the protagonist sam will accompany the earth's last effort against the invasion of pure-violet gang known as the shalam. seron and his allies must succeed to stop the shalam and rescue the kidnapped children from the enemy's hands! serious sam is the first of 5 games in the serious sam franchise. 5 more games are planned to be released, and the future of sam's saga is still unknown. this mini-series will not consist of a single game, but a collection of full-fledged games set in the universe created by s.k. studios. although the games share similar settings, each game in the series will have its own unique setting and story. all games may be played and completed individually, and the first game in the series - serious sam - stands as the best game in the series at the moment. now the next most developed game - serious sam 2 - is scheduled for release in 2016. the developers at s. studios are continuing to support the game and will release several updates, which are also planned to be added to the game. 5ec8ef588b
