

On the thick, hand-pattied, half-pound Black and Blue Burger, promised blue cheese popped but cracked pepper seasoning was hardly evident. The burger was dry although cooked medium as ordered, but thinly sliced, battered-and-fried onion rings provided texture and sweet balance. Our guide to the best of everything in San Francisco. www.gosanfrancisco.com/san\_francisco/reviews/Segway/@gosanfrancisco San Francisco and its Bay Area areas are home to some of the country's most impressive technology companies, including Google, Facebook, Twitter, VMWare, Salesforce, Pinterest, Dropbox and many more. The city is home to the one-of-a-kind Museum of Modern Art, as well as the California Academy of Sciences and Exploratorium. From the Golden Gate Bridge and Alcatraz, to the Golden Gate Park and the Marina District, there are several great options for visitors to experience and see. That being said, this is an epic city in which to experience its sheer magnificence and energy. The original Golden Gate Bridge was completed in 1937. Less than 100 years later, we had the 2012 Golden Gate Bridge Fire. The Bridge was sent through various rounds of repair and restoration and is now open again. The Bay Bridge and Embarcadero corridor also saw the same devastation and rehabilitation that brought back the golden bridge. The Central Subway is now in full operation with the first segment of the rail line having its inaugural Redwood Boulevard opening to downtown San Francisco on August 17th. The T-Third Crossover Redevelopment Project will feature a new Columbus Day Bridge in its place. However, all of this has gone on for a reason. The Golden Gate Bridge is safe and strong and will hold its position as the Second Most Beautiful Bridge in the World. If you're looking for some sunny San Francisco Bay Area activities to do, the choices are endless! Golden Gate Park is one of the most beautiful parks in the Bay Area. Enjoy the many musical, athletic, cultural and other events that are held here year-round. San Francisco Museums are another option and are a hop-skip-and-a-jump away from the bridge. With museums like The Exploratorium, de Young, the Asian Art Museum, the Cartoon Art Museum, the de Young Museum, the Legion of Honor, the San Francisco Museum of Modern Art, The San Francisco Museum of Craft and Folk Art, the California Academy of Sciences, the California Palace of the Legion of Honor, the Guild Hall, the Palace of Fine Arts, the California Academy of Sciences and the California Art Museum, you'll see a whole lot more than you ever knew existed. Vrockola Crack The bridge itself covers 3.3 miles with 2 and 2 lanes of traffic. The bridge's main span crosses the Golden Gate Strait, which separates the San Francisco Bay from the Pacific Ocean. The famous white arches of the bridge are the result of leaving the bridge deck open to the elements, while the central support pylons are steel with wooden surface. The bridge has a length of 6,200 feet; the longest in the United States. Take off your clothes and jump into the bay, then hop a ride to Alcatraz Island via ferry. Alcatraz was originally the site of the military's Fort Alcatraz in the early 19th Century. When the fort was decommissioned as too restrictive, the island was turned into a prison.
