## Coordination Chemistry Book By Ajai Kumar Pdf PORTABLE

The best-selling inorganic chemistry textbook on the market covers both theoretical and descriptive aspects of s, p, and d-block elements. Many students experience great difficulty in studying this book due to the lack of visual aids, illustrations, tables, graphs and drawings. The book presents all the main sections of inorganic chemistry. Each section provides key facts to remember and exercises to complete on your own. The exercises are designed to promote learning while maintaining interest in the subject.
