Stanley Ipkiss (Jim Carrey) ) is a bank employee, an incredibly pleasant person. Unfortunately, he's too good for his own good and becomes a pushover when it comes to... a heist. Although, this is more of a joke and not a robbery, but simply an attempt to steal money from bank customers, but this is not so important. All attention is paid to the main character. He is really nice and not annoying. There are a lot of jokes in the film. There is also black humor, which is more suitable not for comedies, but rather for horror films. Some jokes and phrases are really interesting and memorable. But I didn't like many.
