check out our feature coverage for more info. the game of life is a cross between monopoly and life, and its multi-player, so you can have your friends and family compete with you. the game is based on a board of 100 sq. ft., which is about the size of a typical apartment. you start with a little money and can buy properties, cars and other items on the board. after playing for a while, you can win money and other items from your friends, and your friends can win money and items from you. the game of life is also a lot of fun for kids, and we have created variations of the game specifically for them. the goal of the game is to be the first player to buy out all the property in the game. with our player cards, you can keep track of who has won and who is still in the game. each player can buy a card with a certain number of property spaces, or a property. the spaces that are bought by a player are called ownership spaces. the player who owns all the property in a game is the winner. if you would like to learn more, you can read our instructions or watch the instructional videos on our website, and check out our player cards for a more detailed explanation of how the game works. the game of life 2 now includes our new player card set (shown on the box), which contains three new cards, compared to the original version, which only had two. the player card set allows the use of all three of the new cards in the game. this set also

---

includes our new life board, which contains 1000 property spaces. you can also play the game of life 2 for free in your web browser, with our free life simulator. life simulator lets you try out the game on a 5x5 board without having to buy the game or its player card set. what's new in the game of life 2? the game of life 2 deluxe - get a deluxe copy of the game of life 2, which comes with the player card set and the life board, as well as some new and exciting features. this version of the game has a new life track, allowing you to follow how the game can turn out for you. you can also win items and money from the life track, and also play with up to four friends.
